

Entrevista al Pintor Antonio Zarco

Miembros del equipo MANES visitan una exposición de A. Zarco

Exhibit: School textbooks and notebooks from Francoism.

Activity carried out in the Joaquín Costa School of Madrid on the occasion of the centenary of the death of Joaquín Costa and as part of a program of encounters in the school between students from the post-war generation and today's generation. This included a visit from former students from the 1940s and recollections of the post-war Francoist school. 23-27 May 2011.
